

Seven of Hearts features wines from distinct appellations within Oregon's Willamette Valley and neighboring regions, including specific vineyards and portions of vineyards that show unique characteristics. Using traditional winemaking methods, our goal is small production wines of great purity, complexity, and elegance.

The label on the bottle, with its neo-classical elements, symbolizes our passion for the traditional Burgundian style of Pinot noir.

We make wines from our estate vineyard under the Luminous Hills label, which is about that specific site. Seven of Hearts is about exploring other vineyards, other AVAs, and other varietals, including highly regarded and well-managed vineyards in the Willamette Valley AVAs of Eola-Amity Hills, Dundee Hills, Chahalem Mountains, and Ribbon Ridge. We are very fortunate to be working with growers from outstanding vineyard sites where great attention to detail and care is given to the fruit.

Varietals that are classically grown in the Rhone region of France are featured under the Chatte d'Avignon sub-label of Seven of Hearts: Viognier, Roussanne, Grenache, Syrah, and Mourvedre. Our new Chateau Figareaux line highlights Bordeaux varietals Cabernet Sauvignon, Merlot, Cabernet Franc, and Sauvignon Blanc.

A cooler site among the many we source from, and one that always benefits from an extended growing season as we had in 2010. The cool vintage brought out the best expression from the volcanic Saum soil and 115 clone on the Crawford Beck Vineyard. As always, both red and dark fruit characteristics show through, along with the distinctive cola notes and spice that are always a result of the alchemy of this soil and clone combination. A wine with appeal in its youth, but also one that will reward with some aging.
