

Seven of Hearts features wines from distinct appellations within Oregon's Willamette Valley and neighboring regions, including specific vineyards and portions of vineyards that show unique characteristics. Using traditional winemaking methods, our goal is small production wines of great purity, complexity, and elegance.

The label on the bottle, with its neo-classical elements, symbolizes our passion for the traditional Burgundian style of Pinot noir.

We make wines from our estate vineyard under the Luminous Hills label, which is about that specific site. Seven of Hearts is about exploring other vineyards, other AVAs, and other varietals, including highly regarded and well-managed vineyards in the Willamette Valley AVAs of Eola-Amity Hills, Dundee Hills, Chahalem Mountains, and Ribbon Ridge. We are very fortunate to be working with growers from outstanding vineyard sites where great attention to detail and care is given to the fruit.

Varietals that are classically grown in the Rhone region of France are featured under the Chatte d'Avignon sub-label of Seven of Hearts: Viognier, Roussanne, Grenache, Syrah, and Mourvedre. Our new Chateau Figareaux line highlights Bordeaux varietals Cabernet Sauvignon, Merlot, Cabernet Franc, and Sauvignon Blanc.

Soils range from the diverse set of volcanic and sedimentary soils each of these AVAs are known for. In addition a wide selection of Pinot Noir clones are utilized to achieve a broad palette of aromas, textures and flavors, along with a small amount of whole cluster fermented fruit to spicy notes and layers of complexity. 2010 was a classic cool vintage, but one where long hang times achieved balance and vibrancy along with the elegance, complexity and expression of place that we cherish in our Oregon Pinot noirs.
