

Seven of Hearts features wines from distinct appellations within Oregon's Willamette Valley and neighboring regions, including specific vineyards and portions of vineyards that show unique characteristics. Using traditional winemaking methods, our goal is small production wines of great purity, complexity, and elegance.

The label on the bottle, with its neo-classical elements, symbolizes our passion for the traditional Burgundian style of Pinot noir.

We make wines from our estate vineyard under the Luminous Hills label, which is about that specific site. Seven of Hearts is about exploring other vineyards, other AVAs, and other varietals, including highly regarded and well-managed vineyards in the Willamette Valley AVAs of Eola-Amity Hills, Dundee Hills, Chahalem Mountains, and Ribbon Ridge. We are very fortunate to be working with growers from outstanding vineyard sites where great attention to detail and care is given to the fruit.

Varietals that are classically grown in the Rhone region of France are featured under the Chatte d'Avignon sub-label of Seven of Hearts: Viognier, Roussanne, Grenache, Syrah, and Mourvedre. Our new Chateau Figareaux line highlights Bordeaux varietals, starting with a 2010 Cabernet Franc, Columbia Valley, Oregon, for release early 2012.

The Ice Princess Viognier Sweet Wine is made from the same fruit we use in our Viognier & Roussanne blend. The fruit is taken straight from the vineyard to cold storage where it is frozen for four weeks, after which it is immediately pressed very slowly over the course of several days, producing a mouth-filling, intensely flavorful, aromatic and lengthy dessert wine. Bright acidity balances the sweetness making this both a wine that is very friendly for food pairing in the near-term, as well as a wine that is worthy of aging.
