

Seven of Hearts features wines from distinct appellations within Oregon's Willamette Valley and neighboring regions, including specific vineyards and portions of vineyards that show unique characteristics. Using traditional winemaking methods, our goal is small production wines of great purity, complexity, and elegance.

The label on the bottle, with its neo-classical elements, symbolizes our passion for the traditional Burgundian style of Pinot noir.

We make wines from our estate vineyard under the Luminous Hills label, which is about that specific site. Seven of Hearts is about exploring other vineyards, other AVAs, and other varietals, including highly regarded and well-managed vineyards in the Willamette Valley AVAs of Eola-Amity Hills, Dundee Hills, Chahalem Mountains, and Ribbon Ridge. We are very fortunate to be working with growers from outstanding vineyard sites where great attention to detail and care is given to the fruit.

Varietals that are classically grown in the Rhone region of France are featured under the Chatte d'Avignon sub-label of Seven of Hearts: Viognier, Roussanne, Grenache, Syrah, and Mourvedre. Our new Chateau Figareaux line highlights Bordeaux varietals Cabernet Sauvignon, Merlot, Cabernet Franc, and Sauvignon Blanc.

This Pinot Gris comes from a site in northeastern Oregon that is remarkably well suited for this varietal in cool vintages such as 2011. A dry, site that benefits from warm days, cool nights, and outstanding air flow, the fruit developed slowly over the long cool growing season. This wine is the composition of four separately managed lots, three of which were aged in neutral French oak, for a complex array of aromatic expressions, textures, and fruit components, with body and weight, while retaining vibrancy. Fermented completely dry for a rich, complex, and food-friendly wine.
