

Seven of Hearts features wines from distinct appellations within Oregon's Willamette Valley and neighboring regions, including specific vineyards and portions of vineyards that show unique characteristics. Using traditional winemaking methods, our goal is small production wines of great purity, complexity, and elegance.

The label on the bottle, with its neo-classical elements, symbolizes our passion for the traditional Burgundian style of Pinot noir.

We make wines from our estate vineyard under the Luminous Hills label, which is about that specific site. Seven of Hearts is about exploring other vineyards, other AVAs, and other varietals, including highly regarded and well-managed vineyards in the Willamette Valley AVAs of Eola-Amity Hills, Dundee Hills, Chahalem Mountains, and Ribbon Ridge. We are very fortunate to be working with growers from outstanding vineyard sites where great attention to detail and care is given to the fruit.

Varietals that are classically grown in the Rhone region of France are featured under the Chatte d'Avignon sub-label of Seven of Hearts: Viognier, Roussanne, Grenache, Syrah, and Mourvedre. Our new Chateau Figareaux line highlights Bordeaux varietals, starting with a 2010 Cabernet Franc, Columbia Valley, Oregon, for release early 2012.

Our 2011 Rosé of Pinot Noir incorporates fruit from many of the diverse Pinot Noir vineyards we worked with in 2011. With a core of the minerality we cherish in our Rosé, this wine fills out with hints of Provençal herbs, and a range of summer fruit notes including cherry, pomegranate, and strawberry. Made dry as an accompaniment with food, it will also tempt as a refreshing treat by itself, during the summer, or any time of year you want a hint of summer before or with your meal.
