

Seven of Hearts features wines from distinct appellations within Oregon's Willamette Valley and neighboring regions, including specific vineyards and portions of vineyards that show unique characteristics. Using traditional winemaking methods, our goal is small production distinctive wines of purity, complexity, and elegance.

The label on the bottle, with its neo-classical elements, symbolizes our passion for the traditional old world style of Pinot noir.

We make wines from our estate vineyard under the Luminous Hills label, which is about that specific site. Seven of Hearts is about exploring other vineyards, other AVAs, and other varietals, including highly regarded and well-managed vineyards in the Willamette Valley AVAs of Eola-Amity Hills, Dundee Hills, Chahalem Mountains, and Ribbon Ridge. We are very fortunate to be working with growers from outstanding vineyard sites where great attention to detail and care is given to the fruit.

Varietals that are classically grown in the Rhône region of France are featured under the Chatte d'Avignon sub-label of Seven of Hearts: Viognier, Roussanne, Grenache, Syrah, and Mourvèdre, and the GSM blend. Our Chateau Figareaux line highlights the Bordeaux varietals Sauvignon Blanc, Cabernet Sauvignon, Merlot, Cabernet Franc, and our classic-style red blend called Tradition.

This 2013 Rosé of Cabernet is the delicate expression of one of our favorite blocks of Cabernet Franc. Farmed to be a Rosé to get the qualities we seek, with the first pick we harvested separately for a single varietal Cabernet Franc Rosé to be made in an old-world style. Not a simple saignée, but made from a direct press after eight days of skin contact at very cold temperatures, giving it the most delicate color and fruit character without any bitterness or astringency. Fermented in 100% neutral French oak, and then aged for six months, delivering a complex and savory Cabernet Franc Rosé that will pair with everything from summer salads or rich foods from the grill. Delightfully pink.
