

Seven of Hearts features wines from distinct appellations within Oregon's Willamette Valley and neighboring regions, including specific vineyards and portions of vineyards that show unique characteristics. Using traditional winemaking methods, our goal is small production wines of great purity, complexity, and elegance.

The label on the bottle, with its neo-classical elements, symbolizes our passion for the traditional old world style wines.

We make wines from our estate vineyard under the Luminous Hills label, which is about that specific site. Seven of Hearts is about exploring other vineyards, other AVAs, and other varietals, including highly regarded and well-managed vineyards in the Willamette Valley AVAs of Eola-Amity Hills, Dundee Hills, Chahalem Mountains, and Ribbon Ridge. We are very fortunate to be working with growers from outstanding vineyard sites where great attention to detail and care is given to the fruit.

Varietals that are classically grown in the Rhone region of France are featured under the Chatte d'Avignon sub-label of Seven of Hearts: Viognier, Roussanne, Grenache, Syrah, and Mourvèdre, and a Rhone-style GSM blend. Our Chateau Figareaux line highlights Bordeaux varietals Sauvignon Blanc, Cabernet Sauvignon, Merlot, Cabernet Franc, featuring a classic Bordeaux-style red blend called Tradition.

Our Willamette Valley Chardonnay draws upon two cool, but otherwise highly distinct sites with a diverse set of soils and clones. The sedimentary soils and clone 76 from Gran Moraine Vineyard in the Yamhill-Carlton AVA provide rich tropical qualities. The volcanic soils and clones 95 and 96 from the Willakia Vineyard in the Eola-Amity Hills deliver minerality and citrus notes. Together they combine to produce a broad expression of Chardonnay that is characteristic of what is rapidly becoming the signature white grape of the northern Willamette Valley, here producing a focused Chardonnay that is both vibrant and well rounded. Both the Gran Moraine and Willakia Vineyards are LIVE and Salmon Safe Certified.
