

Seven of Hearts features wines from distinct appellations within Oregon's Willamette Valley and neighboring regions, including specific vineyards and portions of vineyards that show unique characteristics. Using traditional winemaking methods, our goal is small production distinctive wines of purity, complexity, and elegance.

The label on the bottle, with its neo-classical elements, symbolizes our passion for the traditional old world style of Pinot noir.

We make wines from our estate vineyard under the Luminous Hills label, which is about that specific site. Seven of Hearts is about exploring other vineyards, other AVAs, and other varietals, including highly regarded and well-managed vineyards in the Willamette Valley AVAs of Eola-Amity Hills, Dundee Hills, Chahalem Mountains, and Ribbon Ridge. We are very fortunate to be working with growers from outstanding vineyard sites where great attention to detail and care is given to the fruit.

Varietals that are classically grown in the Rhône region of France are featured under the Chatte d'Avignon sub-label of Seven of Hearts: Viognier, Roussanne, Grenache, Syrah, and Mourvèdre, and the GSM blend. Our Chateau Figareaux line highlights the Bordeaux varietals Sauvignon Blanc, Cabernet Sauvignon, Merlot, Cabernet Franc, and our classic-style red blend called Tradition.

2014 Viognier & Roussanne

Rattlesnake Road Vineyard
Columbia Valley, Oregon

Cases Produced: 217
Varietals: 65% Viognier, 35% Roussanne
Source: Rattlesnake Road Vineyard
Harvest Date: September 29, 2014
Alcohol: 13.1%
pH: 3.426
TA: 8.281

Sourced from vineyards outside Arlington, Oregon, along the Oregon side of the Columbia River, this wine is inspired by the great white wines of the Rhône region in France. Fermented in three separate lots for complexity and diverse character: a co-ferment in stainless, Viognier in small stainless barrels, and Roussanne in neutral French oak barrels. The Viognier provides tropical and floral notes, as well as the overall weight, with the Roussanne contributing structure, acidity, diverse fruit elements, along with a distinctive ginger spiciness.
