

Seven of Hearts features wines from distinct appellations within Oregon's Willamette Valley and neighboring regions, including specific vineyards and portions of vineyards that show unique characteristics. Using traditional winemaking methods, our goal is small production wines of great purity, complexity, and elegance.

The label on the bottle, with its neo-classical elements, symbolizes our passion for the traditional old world style wines.

We make wines from our estate vineyard under the Luminous Hills label, which is about that specific site. Seven of Hearts is about exploring other vineyards, other AVAs, and other varietals, including highly regarded and well-managed vineyards in the Willamette Valley AVAs of Eola-Amity Hills, Dundee Hills, Chahalem Mountains, and Ribbon Ridge. We are very fortunate to be working with growers from outstanding vineyard sites where great attention to detail and care is given to the fruit.

Varietals that are classically grown in the Rhone region of France are featured under the Chatte d'Avignon sub-label of Seven of Hearts: Viognier, Roussanne, Grenache, Syrah, and Mourvèdre, and a Rhone-style GSM blend. Our Chateau Figareaux line highlights Bordeaux varietals Sauvignon Blanc, Cabernet Sauvignon, Merlot, Cabernet Franc, featuring a classic Bordeaux-style red blend called Tradition.

Our Willamette Valley Pinot Noir blend is intended to reflect two things: the vintage as well as a broad expression of the different Pinot Noir vineyards we work with in the sub-AVAs of the northern Willamette Valley. As always, the distinct vineyards we work with all contribute interesting and diverse elements from their various clones, soils, aspects, vine ages, elevations and microclimates. While 2015 was the warmest vintage we have experience to date, it was seamless with an early start, steady heat without extreme highs or dramatic lows. As a result, flavors developed early in the season, allowing for an early harvest without sacrificing complexity or concentration and without excess sugar or loss of essential acidity. All this resulted in a wine that is generous, rich, complex, fruit-driven and layered, all while maintaining the balance, vibrancy and finesse that we prize in our Pinot Noir.
