

Seven of Hearts features wines from distinct appellations within Oregon's Willamette Valley and neighboring regions, including specific vineyards and portions of vineyards that show unique characteristics. Using traditional winemaking methods, our goal is small production wines of great purity, complexity, and elegance.

The label on the bottle, with its neo-classical elements, symbolizes our passion for the traditional old world style wines.

We make wines from our estate vineyard under the Luminous Hills label, which is about that specific site. Seven of Hearts is about exploring other vineyards, other AVAs, and other varietals, including highly regarded and well-managed vineyards in the Willamette Valley AVAs of Eola-Amity Hills, Dundee Hills, Chahalem Mountains, and Ribbon Ridge. We are very fortunate to be working with growers from outstanding vineyard sites where great attention to detail and care is given to the fruit.

Varietals that are classically grown in the Rhone region of France are featured under the Chatte d'Avignon sub-label of Seven of Hearts: Viognier, Roussanne, Grenache, Syrah, and Mourvèdre, and a Rhone-style GSM blend. Our Chateau Figareaux line highlights Bordeaux varietals Sauvignon Blanc, Cabernet Sauvignon, Merlot, Cabernet Franc, featuring a classic Bordeaux-style red blend called Tradition.

This diversity complements a vintage which started and finished early with a balanced crop load for layered and complex wines. At the heart of this wine are the major components of Wadenswil, Pommard and 667 clones, providing a heart of fullness and depth infused with lively spice. The accompaniment of the 777 and 115 back the wine up with warm red and blue fruit and vibrant acidity for another layer of richness. The Bjornson Vineyard is LIVE Certified and Salmon Safe.
