

Seven of Hearts features wines from distinct appellations within Oregon's Willamette Valley and neighboring regions, including specific vineyards and portions of vineyards that show unique characteristics. Using traditional winemaking methods, our goal is small production distinctive wines of purity, complexity, and elegance.

The label on the bottle, with its neo-classical elements, symbolizes our passion for the traditional old world style of Pinot noir.

We make wines from our estate vineyard under the Luminous Hills label, which is about that specific site. Seven of Hearts is about exploring other vineyards, other AVAs, and other varietals, including highly regarded and well-managed vineyards in the Willamette Valley AVAs of Eola-Amity Hills, Dundee Hills, Chahalem Mountains, and Ribbon Ridge. We are very fortunate to be working with growers from outstanding vineyard sites where great attention to detail and care is given to the fruit.

Varietals that are classically grown in the Rhône region of France are featured under the Chatte d'Avignon sub-label of Seven of Hearts: Viognier, Roussanne, Grenache, Syrah, and Mourvèdre, and the GSM blend. Our Chateau Figareaux line highlights the Bordeaux varietals Sauvignon Blanc, Cabernet Sauvignon, Merlot, Cabernet Franc, and a classic-style red blend called Tradition.

The 2014 Lia's Vineyard Pinot Noir benefited from the usual highly attentive vineyard management tailoring inputs to maintain elegance typical of the vineyard in this unusually warm vintage. Extended barrel time was also employed for the lots selected for this wine, providing additional roundness to the fine tannins provided by the vintage, particularly the hearty 828 clone. This barrel selection offers roundness at its foundation with an emphasis on old-vine Pommard, a star clone of the vineyard, with complementary elements of richness and a little spiciness from the 115 block, finishing with the robust depth of the 828 clone.
