

Seven of Hearts features wines from distinct appellations within Oregon's Willamette Valley and neighboring regions, including specific vineyards and portions of vineyards that show unique characteristics. Using traditional winemaking methods, our goal is small production distinctive wines of purity, complexity, and elegance.

The label on the bottle, with its neo-classical elements, symbolizes our passion for the traditional old world style of Pinot noir.

We make wines from our estate vineyard under the Luminous Hills label, which is about that specific site. Seven of Hearts is about exploring other vineyards, other AVAs, and other varietals, including highly regarded and well-managed vineyards in the Willamette Valley AVAs of Eola-Amity Hills, Dundee Hills, Chahalem Mountains, and Ribbon Ridge. We are very fortunate to be working with growers from outstanding vineyard sites where great attention to detail and care is given to the fruit.

Varietals that are classically grown in the Rhône region of France are featured under the Chatte d'Avignon sub-label of Seven of Hearts: Viognier, Roussanne, Grenache, Syrah, and Mourvèdre, and the GSM blend. Our Chateau Figareaux line highlights the Bordeaux varietals Sauvignon Blanc, Cabernet Sauvignon, Merlot, Cabernet Franc, and our classic-style red blend called Tradition.

Our 2014 Special Reserve bottling is a selection of five special barrels that highlight the richness and power, depth and complexity of the vintage as drawn from several distinct Pinot Noir vineyards we worked with, including the Armstrong Vineyard in Ribbon Ridge, and the Bjornson Vineyard in the Eola-Amity Hills. This vintage was characterized by an early start, high enough temperatures to be the warmest vintage to date – although never extreme – with a perfect September finish. New Rousseau barrels from the Tronçais forest and the center of France provide some wood tannin and sweetness to round out the bigger and more pronounced tannins of the vintage, coupled with a balance of successively older barrels to maintain the rich fruit, spice, and texture from a mix of classic and Dijon clones on the diverse and complementary soils of these two vineyard.
